Title : Director's Circular January 2022
Circular Number : 07/DIR/2022

Dear Parents / Guardians,

Hope that everybody is keeping safe and healthy. Please take note of the following announcements:

1. Positive COVID-19 case at Lodge National Secondary School

One of our students in one of the Form 4 classes conducted a saliva self-test yesterday (26 January 2022) evening at home and was tested positive for COVID-19. This morning the student is at MBKS for his swab test. His parents will inform the school when the results are out. He had already been vaccinated for 2 doses for COVID-19. This student was in school from 24 to 26 January 2022

As our Form 4 students are currently running on rotation basis, 14 students of the said class who attended physical lessons in the school carried out saliva self-tests this morning. All of the subject teachers who were teaching the said class had also carried out saliva self-test this morning. All of the results are negative. Venues in our school which were utilized by this group of Form 4 students have all been sanitized.

The 14 students are given an extra saliva test-kit each. They will conduct another self-test on 29 January and they will report their results to their class teacher.

In view of the above, this particular class of Form 4 will revert to home-based learning on 28 January 2022.

Schedules and mode of studies of other classes remain unchanged for 28 January 2022.

2. Replies from Ministry of Education (MOE) in KL

On 5 January 2022, school authorities wrote to MOE in KL requesting for approval to conduct face-face / physical lessons for all levels at Lodge. Our request was denied citing lack of space; based on our facilities versus our enrolment of students.

Our schools made an appeal and on 20 January 2022, officers from State Education Office carried out site inspections and surveyed our facilities. Interviews were also conducted with our senior management staff.

On 26 January 2022, MOE in KL informed us that based on feedback and reports from State Education Office, our appeal is not approved.

As such, our present mode of study as per below will continue until there is further announcement from MOE, KL:

Kindergarten A to C: physical lessons on non-rotation basis;
Tahun 2 to Tahun 3: physical lessons on non-rotation basis;
Tahun 4 to Tahun 6: on rotation basis;
