13. Traffic Matters

International School has received complaints from the general public. Our Secondary school parents come to school early (some are noted to be as early as 45 minutes before the dismissal time) and they park their cars on the main roads outside Gate B & Gate C.

In doing that, these parents have caused inconvenience, unnecessary traffic jam which otherwise is a smooth flow of traffic. Please be reminded that the main roads are not under our school's jurisdiction and we are not authorized to control and manage the public on the roads.

We are requesting our parents to be punctual when they come to fetch their children. **Not too early; to be as precisely as possible to the dismissal time. Please inform your children to be at the designated waiting area for their pick up.**

Our school is still liaising with various local authorities and agencies to work out to minimize the traffic jam during dismissal times.

For all of our parents of all entities, please practice courtesy, understanding, patience and do not honk when you are in our school premises.

Please follow the guidance and instructions provided by our security colleagues on duty. Your cooperation helps us to assist you better.
