Dear Parents / Guardians,

Please take note of the following updates:

1. National Education Blue Print (2026 – 2035)

The above was launched by Prime Minister YAB Dato' Seri Anwar bin Ibrahim on 20 January 2026.

Notable things to take note:

- Malaysia Learning Matrix for Primary 4 students effective 2026;
- Malaysia Learning Matrix for Form 3 students beginning 2027;
- Entrance to Primary 1 at 6 years old (5+) starting 2027;
- Compulsory subjects Bahasa Melayu & Sejarah (following National Curriculum) for Malaysian students at International, Religious and Private Schools.

We are still waiting for detail guidelines from MOE (Ministry of Education), Putrajaya and will share the details with parents once available.

2. Road Improvement Plan

Sarawak Metro Sdn Bhd is in the process of implementing ART system. This continuous construction works will reach Lodge International School within the next few months.

On 12 January, together with Chairman of Lodge School Association, Mr Daniel Ling and Principal Mr Markus, we met with representatives from Sarawak Metro, project consultant and contractor.

During this meeting, they informed our school that during the duration of their construction works fronting our Lodge International School, there will be traffic diversion and alternative traffic flow. These temporarily 'detours' will cause traffic congestion. They are also aware of the current traffic situation during our dismissal times.

The authorities concerned will inform our school after they have finalized the commencement and end date of this construction works and the temporary 'detours'. We will inform our parents after we received those details.

We acknowledge that traffic diversion will be challenging; especially during dismissal times. We earnestly request for your patience and consideration.

Please abide with directives from RELA members on duty. They are stationed here to assist you to get to your destination safely and in a timely manner.

5. **BAP (Bantuan Awal Persekolahan) (Early School Aid) 2026**

Please note that the above aid is provided for Malaysian students who are enrolled in National schools.

The aid was handed over to the parents of Primary while our Secondary students received theirs from their class teachers. Both were given out on 21 January.

6. Chinese New Year break 2026

In conjunction with Chinese New Year 2026, all entities of Lodge Group of Schools (including After School Care) will be closed from 14 until 22 February. Lessons will resume on 23 February.

7. Traffic Matters

To ease traffic congestion during dismissal times, we are requesting our parents to be **punctual** when they come to fetch their children.

Please do not arrive too early as this will cause inconvenience and create unnecessary traffic jam at the surrounding housing estates and on the main roads.

Please inform your children to be at the designated waiting area for their pick up.

Please practice courtesy, understanding, patience and please do not honk when you are in our school premises.

We have received complaints from parents who reported that they were stared down, shouted at, received foul language (including hand signage) and hurtful comments.

As with any other schools especially during dismissal times, there is bound to be traffic congestion, and such.

Safety of our children remain our main priority.
