Circular Number : 03/DIR/2026

Dear Parents / Guardians,

Please take note of the following updates:

**1. Safety of our Children**

The safety of our children has always been and is a priority in our schools.

For the safety of all of our children at Lodge, please ensure your child is dropped off **inside** our school compound. Please do not leave them unattended outside of our school premises.

Please pick up your children punctually at the end of each schooling day.

Our schools need and appreciate your cooperation to help us to maintain a safe environment for our children.

#### 4. Road Improvement Plan

We wish to inform that we have not received any further feedback from Sarawak Metro Sdn Bhd since the last Circular dated 28 January 2026

In line with implementing ART system, the continuous construction works will reach the fronting of Lodge International School within the next few months.

The authorities concerned will inform our school after they have finalized the commencement and end date of this construction works and the temporary 'detours' and alternative routes. We will inform our parents after we received those details.

We acknowledge that traffic diversion will be challenging; especially during dismissal times. We earnestly request for your patience and consideration.

Please abide with directives from RELA members on duty. They are stationed here to assist you to get to your destination safely and in a timely manner.
